## **Fulcrum Partners Honors its Executive Benefits Advisory Team in Chicago**

PONTE VEDRA BEACH, FL -- (June 27, 2017) Since 2007, Fulcrum Partners LLC, one of the nation's leading [executive benefits](#) advisories, has helped companies and executives optimize executive benefit plans in ways that are cost effective for the company and rewarding for the executive. Throughout 2017, as part of its 10-year anniversary celebration, Fulcrum Partners is honoring each of its thirteen nationwide offices.

Managing Director [Tom Chisholm](#), heads the Fulcrum Partners Chicago office. Tom's areas of expertise include nonqualified benefit programs, employee retention, senior management compensation, change in control issues and plan integration during mergers and acquisitions. Also an endurance athlete, Tom was a member of Team USA, Long Course Triathlon Teams 2015 and 2012.

Tom Chisholm says, "I am goal driven and competitive, which of course, helps me in triathlons. But just as importantly, it helps me understand and serve the needs of Fulcrum Partner's clients, who are hardworking top talent, and who are rightfully concerned about their executive benefits, retirement, and the future of their company."

[Financial Consultant Kenny DePaola](#) joined Fulcrum Partners Chicago with a differing perspective and motivation. As a millennial, he identifies with concerns about retirement planning, health care affordability and financial security. Recognizing the viability of non-qualified benefit plans as a strategy to help companies better serve the needs of employees, Kenny made a major career change to train and join Fulcrum Partners.
