Fulcrum Partners Director Scales Heights Professionally and Personally

PONTE VEDRA BEACH, FL -- (May 23, 2017) This year, as executive benefits advisory Fulcrum Partners LLC celebrates its 10-year anniversary, the firm is paying tribute to the significant accomplishments of its nationwide team of managing directors. Many of the managing directors at Fulcrum Partners, like [David H. Fisher](#) in Columbus, Ohio, have more than twenty-five years of experience providing comprehensive and creative solutions for the design and implementation of

nonqualified benefit plans, including deferred compensation, supplemental executive retirement and phantom stock plans.

Although David serves clients across the U.S., and divides his time between his homes in Dublin, (Columbus) Ohio and Bluffton, South Carolina, he and his wife Jeanie find time to be actively involved in The Salvation Army, The Boys and Girls Club of Bluffton and Arise Rwanda Ministries. Scaling heights both professionally and personally, David and Jeanie have hiked Kilimanjaro, the Grand Canyon, the Inca Trail to Machu Picchu, and David has an upcoming climb of Mount Rainier. David said, "Accomplishing personal goals and charitable objectives gives me great satisfaction. Understanding how important it is to be able to dream big and then see your dreams come to fruition is no doubt one of the reasons I work so hard to help position my clients to protect, secure and then enjoy the rewards of their hard work."

Fulcrum Partners LLC has thirteen offices located across the U.S., from Washington D.C. to Hawaii. You can learn more about the services provided by David Fisher by calling 614-799-1901, or find out more about the entire Fulcrum Partners team at fulcrumpartnersllc.com/fulcrum-partners-team/.
